

THINKING ABOUT BECOMING A MEMBER?

Experienced Paddlers

We welcome experienced paddlers at any time, and you are welcome to come along and try us out on a temporary basis for up to 2 sessions before deciding to join. Please drop us a line & we will arrange to show you around. Alternatively, book onto one of the pool sessions & meet some coaches there. Please complete the Temporary Membership Form before joining us on the water (available at the club) and bring along any certificates/awards you may have.

New to Canoeing - Getting Started

1. Come and Try It Days

These sessions are open to anyone, to come along and try canoeing for an hour. These sessions are perfect for those who have not tried canoeing before.

2. Introductory Courses

These sessions are usually held between the months of April-August. At one of these sessions, you will be introduced to kayaks, canoes and the basics of paddling. Boats, equipment, and temporary membership are included in the course fee. These sessions must be pre-booked.

3. Woking Pool Sessions

These open sessions are held at Woking Pool on Wednesday evenings and are great for initial water confidence and paddle strokes or just to perfect your safety strokes and rolling.

Please see our website for further details and to sign up for any events and courses.
